MSBA will determine if your list of electrical needs meets your order. MSBA reserves the right to either mandate a change to your order or to deny use of any electrical devices. Any internet or phone lines will be utilizing the college network. Computer equipment will be inspected for appropriate software and security.

It is highly recommended that all vendors that plan to use computerized devices utilize safety precautions such as “Battery Back Up Systems” & surge Suppressors to protect your own devices. By placing and paying for your order, you acknowledge all liability for the safety of your electrical devices.

Electrical Order forms must be returned with vendor for and a separate check for payment made payable to MSBA.
